YEARBOOK STAFF

The Yearbook staff is made up of about thirty or so hard working students from grades eleven and twelve who are usually found in the library designing layouts, fitting copy, cropping pictures, and generally not having fun. Along with their faculty advisor, Mrs. Langenberg, and Senior Editor Beth Maynard, the yearbook staff maintains a creative and innovative outlook even when faced with the ever-present deadline. "Deadline time" is known well by staff members who are usually driven crazy in an attempt to finish their pages before they have to be sent to the publishing company.

CAPTURING THE SPIRIT OF CULTURE

Two days in March this year an international festival was held at BHS. The halls outside the office were covered with students' informative projects on many different countries. Throughout the first day were cooking demonstrations, art demonstrations, and food samplings. At night an international pot luck supper was enjoyed in the cafeteria and students and their families brought in favorite family recipes to compile in a cookbook. On the second day BHS was visited by the performing group IncaSun. They sang Peruvian songs, played Peruvian music and Juan Carlos, everybody's favorite, danced. During the lunch period different international foods were served in the gym and students could watch a repeat performance of IncaSun. The festival was a tremendous success and will hopefully be a BHS tradition.

SPIRIT WEEK

In the tradition of Spirit Week the competition was won by the seniors. We competed in Color and Black and White Day, Pajama Day, Formal Day, and Crazy Hair and Plaid Day. Adding excitement to the Pep Rally was our new hawk, Brad Luciani, who continually

entertained us with his mid-air flips and slides across the gym floor.

(Left:) The Bellingham Blackhawk shows school spirit at the rally. (Above:) The seniors win the annual bulletin board contest for the fourth time in a row. It's a victory future classes can only tie but never beat. 1998 RULES!!!!

Homecoming 1997

On October 25 the entire school came together for a night of movin' and groovin' at our annual Homecoming Dance which was made possible by the Touchdown Club. As the traditional end of Spirit Week, the students elected a queen and king. This year our Queen was Jill Maillet and our King was Mikie Tarrasky. The senior boys, especially Brad Luciani, Chad Goyer, Matt Cammarata, Jamie Grillo, Doug Hill, and Jimmy Christie, definitely danced the night away. Overall, Homecoming was a huge success and everyone had a fabulous time.

DECA I, II, III

This year's DECA program was very successful. The year opened with the introduction of Mr. Rob Evans, the new DECA teacher. He brought the school talent and a new outlook on the DECA program. This year twenty students made it to the state competition in Danvers. From the state competition eight students continued on to the national competition held in Denver, Colorado. Overall, the year was full of excitement and fun.

This year the National Honor Society's annual induction of new juniors was held in October. Guest speaker, Dr. Cheryl Hardenbrook, addressed the group. The ceremony ended with an Italian dinner for the members and their families. The year was full of excitement because students participated in the Walk for Hunger, shared Thanksgiving dinner with the elderly, and also visited the children at Wee Folk. Because everyone volunteered time to help the community, the National Honor Society had a very successful 1997-1998 year.

Mike Tarrasky enjoys the sun and sea but takes time to stop and smile for the camera and check the seashells by the seashore.

Outdoor Adventure

Mr. Henderson led the students of BHS on five fishing trips this year, all setting sail from Plymouth, Massachusetts. This was definitely a year for the record books. The October trips, with their rough seas, produced some of the sickest students ever. According to Mr. Henderson, Hillary White and Chris Bayer took top honors, while Matt Cammarata and Sarah Bigelow followed closely behind.

The spring trips provided great weather for the fishers. Lauren Cifizzari caught an all time high of 101 fish in a day. Holy Mackerel! Sonny Milani, on the other hand, didn't catch a single fish. Sorry Sonny! Steve Pasciuto and Jay Ledoux both caught sharks. Way to go guys!

As always, the fishing trips were a huge success. We can't wait to go again next year.

Although the records may not be indicative, it was a very successful season for the BHS boys' and girls' cross country teams. With a mix of promising youth and experienced veterans, Bellingham held its own against the best of the TVL. With seniors Doug Hill, Joe Fortier, and Amy Heenan guiding future stars like Adam Crawford, Jennie Cosgrove, and Matt Frederick, Bellingham High's future looks bright.

(Left:) Capt. Tim Joyce, (a.k.a.) "mannequin boy," does something that he is actually good at — standing still.

Playing against teams that are bigger and more experienced than us, and also playing in one of the most powerful leagues in the state has brought a downer to what was once a state tournament team. Despite losing many talented seniors last year, the young Hawks are hopefully looking to the future. Three very important sophomores,

including Mark Curran, leading point man Brent Christo, and Tri-Valley First-Team All-Star and Woonsocket Call Second-Team Selection Steve Landry, can bring the Hawks back to the tournament in the future. Dan Joyce and also Ed Riley are assets to this young team also.

This year the team will be losing Captain Paul Jacques, an experienced varsity member for four years and starter of three years. On defense Captain Tim Joyce and Greg Johnson will surely be missed. Senior forwards Michael Tarrasky and David Claffey significantly helped out their first year on the field. Still in the end it was a NO-WIN SITUATION.

Hawks Fly Together

Although the Blackhawks' season did not amount to a State Championship, they continued to be a leader in the Tri-Valley League. Ending with a record of 13-4-3 the Lady Hawks were ousted in the State Quarterfinals. The team's leading scorers were Stacey Blue with 23 goals and Erica Babiaza with 19 goals. Coach Joanne Paquette was pleased with the team unity and dedication. Bellingham was lead by tri-captains Amy Bartlett, Stacey Blue and Jill Maillet. Despite the fact that no title was won, the team accomplished great things by placing three people on the Tri-Valley League All-Star team and having Stacey Blue named MVP of the league. Next year with six returning seniors the Hawks hope to fly once again.

The Future Stars

The junior varsity field hockey team had an incredible season this year ending undefeated in the league. They were led by Tri-captains Michelle Dennis, Briana Hill, and Justine Camire and coached by Brenna Elliot. Many things contributed to their winning season ranging from team unity to leading scorers Michelle Dennis and Jenn Boyle. A number of players will be going up to varsity and will hope to continue their winning streak next year.

Hopkinton looks distraught as Bellingham celebrates another goal.

Bellingham's successful seasons would not happen without starter programs. The Freshmen and Subfreshmen teams consist of seventh and eighth graders who work hard throughout the year to learn the sport early.

The Freshmen team had a successful season with a record of 8-2-2. The team was helped by leading scorer Aimee Park and coached by Marci Thibeault for the second year.

The newly formed Subfreshmen team had a great starter year. Coached by Bellingham Alumna Sherilynn Chiappone, they were led to a four-win and one-lose season.

LADIES IN BLACK

Although losing five seniors to graduation, the Girls' Varsity Volleyball team had an impressive year. Led by senior Co-captains Lisa Benson and Beth Gianusso, the team had a record of 8-6 in the TVL and 16-8 overall. Having lost the league title this year, the girls continued to upgrade their play entering the tournament defeating three strong teams, including an upset against Medway, before losing to TVL foe, Medfield, in the state sectional finals. The senior quad wishes the '98 varsity team lots of luck in their quest to regain the TVL title.

Fighting Spirit

This season started off a little rough for the BHS cheerleaders. Slowly but surely things did start to turn around — beginning with the new coach — Lynn Simpson. She taught us discipline, self-respect, and most importantly — RESPECT FOR OTHERS. We ended up having a good season and one we will always remember.

So Many, So Close

This season a very ambitious Blackhawk team took to the field against a tough Tri-Valley League. They quickly learned that they would need more than their superior strength to win close football games. The team was lead by Captains Chad Goyer, Sonny Milani, Tse Wai Lee and Neil Brisson. Although ending with a four and seven record the seniors leave behind a battle-tested junior class looking for vengeance and a great season. Although the varsity team finished with a 5-15 record, there are reasons to be hopeful for the future. With the departure of four seniors including Tom Burkholder, Tim Joyce, Joe McManus, and co-captain Jamie Grillo, there is still a lot of talent returning for the Hawks. The 3-point specialist Ryan Reilly, point guard Chris Dean, a slasher and penetrator, and the all-star Twin Towers of Mark Lussier and Tom Qvicklund front a formidable squad that will surely bring tournament basketball back to Bellingham.

Ready to "Step Up"

The junior varsity team will be ready to do that for next year. After this team went through some tough times, they "constantly improved by working extremely hard in practice every day" says Coach Hutchinson. The results were a couple of late season victories over perennial league powers Medfield and Westwood. Although this team wasn't particularly young, they'll be getting plenty back due to few varsity graduates and some talented freshmen.

Building a Program

The freshmen boys enjoyed a 12-6 season this year, with Captains Jeff Hogan and Mark McNamara providing strong leadership and each member of the team working very hard and displaying a positive attitude under Coach Gibbs. Although the Junior High team didn't enjoy a winning season, Coach Chiappone got each player plenty of playing time and also led the team to their best record in three years of his tenure. With continued hard work, determination, and commitment, these players should bring Bellingham High School back to Tri-Valley basketball glory. Hoop Heroines of BHS

With a record of 9-11, the Lady Blackhawks missed the State Tournament by one game. Although all of the team's goals were not met, the season had many victories other than wins. After a slow start the 2-7 Hawks went to win seven of their next eleven games. There was a surprise defeat of Medfield, a league leader, and junior Lauren Clancy scored her one thousandth point. Perhaps one of the biggest victories was that of teammate Kendra Heinricher who won her life back after a car accident. The Lady Blackhawks were led by Captains Mariann Richards and Stacey Blue. They were coached by Mike Pizzi. The team graduates seniors Jessica Udstuen, Amy Bartlett, Mariann Richards, and Kendra Heinricher but will continue with its new-found success next year.

Clancy Scores 1000th

Not since 1987 when Kim Trites hit the one thousandth point milestone has any girl from BHS accomplished the same. This year junior Lauren Clancy was able to do what only a few do. She too reached the one thousand point mark. In a game in which Clancy was not only looking for her thousandth point, the team needed to win to keep tournament hopes alive. Clancy came up big that game not only scoring her thirteen points to reach the mark but surpassing it by nine. With another year at BHS Lauren only has eight points to go to beat Kim Trites's school record of 1030 points.

In only its second year the girls' junior high team has once more had a successful season. They were coached by newcomer Mr. Evans and led themselves to victories. The young Lady Blackhawks were led by Collette Brady and Erin Dikun.

On The Ice

Looking for another Tri-Valley League Title the Blackhawks fell short this season. Although no title was won they did qualify for the state tourney where they went two rounds only to be defeated by Hull. The Hawks ended with a record of 14-7-1.

A successful year was completed by the team although no title was won. Bob McManus led the Blackhawks breaking four records this year. The 1997-1998 League MVP now holds Bellingham records for most points in a season, most points in a game, most assists in a season, and most assists in a career. The Hawks graduate seniors Bob McManus, Phil Rigoli, Mike Szabo and Mark Semenuk. Although there will be big holes to fill, look for Justin Park and Shawn Sullivan to fill in the holes.

Running Towards Success . . .

Despite the challenging season for both girls' and boys' winter track, the future does look bright because many young athletes will be returning next year. Again this year Sonny Milani and Jason Brunetti dominated the shot put and the hurdles. The girls' team will be losing Amy Heenan, Kristin Milone, and Liz Montville, but the hopeful leadership of Jen Penswick, Holly Wernig, and Lindsey Prior makes our future look very promising.

Diamond Notes

The 1998 version of the Bellingham High varsity baseball team tasted more success than in the past 4 years. With an abundance of seniors (9), leadership and experience were used to this team's advantage. The starting pitching of senior All-stars Jamie Grillo and Bob McManus and junior Scott Tessier led the Hawks to a 12-8 regular season record (10-6, 3rd TVL), but bowed out in the first round of the state tournament, our first in 4 years. With the clutch hitting of Jamie Grillo, Bob McManus, Ryan Reilly, Tom Burkholder, and Tim Joyce, the Blackhawks were able to defeat league rivals Ashland (8-1), Westwood (8-6), Medway (5-0), and Medfield (2-1). With the return of 2nd teamer Ryan Reilly, junior Scott Tessier, and talented sophomore pitcher/center fielder Eric Belcher, the Hawks hope to bring themselves and Coach Chiappone back to the Eastern Mass state tourney.

Freshman

Coach Mike Tessier continued his time at the helm of the Freshman Team at BHS. The kids in the seventh, eighth, and ninth grades had a great chance for good coaching, great competition, and a substantial amount of playing time under the Bellingham Baseball Attitude of hard work, dedication, and mental and physical preparation. Ben Belcher, Matt Blue, Peter Udstuen, Scott Hogan, Kyle Pendlebury, Bob Mancini and the rest of the great team all seem to have promising futures if they continue to do the things it takes to improve.

This year's edition of the Hawk Golf Team was led by Tri-Valley League All-Star Erik Swenson. Erik's scores were consistently among the lowest scores in the League. Also, this year's record proved to be one of the most successful and satisfying records in a long time. Bellingham played hard and although the Hawk record was not a winning one, several matches were determined by five strokes or less. Prospects look good for future seasons as the veteran lineup consisting of Nick Bogolea, Jay Silva, Dan Joyce, Chris Pearcey, Kris Buckman, and Greg Golin are returning.

Feel The Power

The 1997 weightlifting season began in December with 51 young men and women lifting four days per week for about two and one half hours per day. Twenty eight of the fifty one young men and women lifted in competitions. The hours spent in the weight room have paid off as the club members currently hold forty-one Massachusetts state "Drug Free" powerlifting records. The Powerline IV weightlifting club again competed in the Massachusetts "Drug Free High School State Championships, sponsored by the American Drug Free Powerlifting Association. For the second year in a row the Powerline IV group upset the top team in the state, Coyle Cassidy.

It has been a goal of the Powerline IV coaching staff to provide positive experiences in powerlifting for the young people of Bellingham High School while informing and teaching each young man and woman of the dangers of steroid use. At the end of the 1997 weightlifting season, Bellingham High School students have lifted in over 14 competitions during the 7 year history of the club. The club is very proud of the State, Regional, and National titles it has won. However, club members take their greatest pride in the fact over 100 of the young men and women have taken drug tests for the use of anabolic steroids without any tests coming back positive.

Thank You For Your Dedication

33 Years of Service

After 33 years of service to Bellingham High School, Mr. George Anderson brings his academic career to a close. Mr. Anderson came to Bellingham as a physical education teacher. He started the modern football program and established a varsity team in 1968. In 1972 his role shifted to Athletic Director until 1995 when he became Vice Principal. The students and faculty will miss his "sense of humor" and we wish him good health and happiness for at least another 33 years.

31 Years of Service

After 31 years of service, Mr. John Thuot is also retiring this year. Mr. Thuot is a graduate of Providence College and began in Bellingham as an English teacher at the Keough School. In 1967 he came to the high school and has been here for the past 30 years. He became the English Department Head in 1970 and held that position for 27 years. In 1972 Mr. Thuot published a book of poems entitled *A Piece of Me*. After retirement he plans to finish his grammar book, compile a second volume of poetry, and travel.

DREAM MAKER

*The time has come to say good-bye,
I'll say it with a smile.
Because I know I shouldn't cry,
I'll hold it back a while.*

*You're not just names in a rank book,
No — you've become a part of me.
A part you gave, a part I took,
It's not simple, can't you see?*

*Deep within my treasure chest,
There is something you can't buy.
Even if your gold was best,
And stacked up to the sky.*

*It's priceless and it's truly real,
Won't respond to senses five,
Not hear, see, smell, taste or feel,
But on it I will thrive.*

*I hope that you are taking,
A part of me with you,
And that it helps in making,
All your future dreams come true.*

The Stars Were Shining

On April 4, 1998, the **Class of 2000** celebrated their **Ring Dance** to the tune of "Always" by Bon Jovi. The gym was beautifully decorated in red, gold, and black. Escorted down the red carpet by their class officers, the Sophomores received their rings in style. As the night progressed, the court was selected. Brent Christo and Lakecia Porter were selected king and queen. The princes and princesses were (L-R) Kim Mowry, Greg Bouchard, Jen Mitnick, Tracy Dennis, Anibal Vasquez, Peter Nugent, and April Fontaine. (Above:) Derek Milone and Karen Palardy share a slow dance. (Right:) Everyone had a great time dancing all night.

**In Loving Memory
of
David Hanrahan
1980-1997**

"Smile!" That was the word that was most often heard coming from Dave's mouth. He was an extremely kind and gentle person who would do anything for anyone. Some of the most memorable moments of his life were going to his tenth grade Ring Dance, going to a concert with his sister Krissy, playing basketball against the New England Patriots, and getting his license and his first car. Sadly, on October 27 on his way to school Dave was killed in an automobile accident. We will miss Dave but will always cherish the memories we had with him.

Sincerely,
Friends

VALEDICTORIAN

Jennifer Mahoney

Today, we the Class of 1998, have come together for one last time. This is a time to celebrate our accomplishments as well as to reminisce about our past six years. We have shared in good times and in bad times. But through it all we have gained wisdom, strength, and courage to move on.

We have been through a lot, great accomplishments along with some failures. We have dealt with many difficult situations, including the death of a fellow classmate, David Hanrahan, and the near fatal car crash of another. Through these trying times, we have stuck together and helped one another. I believe that we as individuals have become stronger through dealing with these tragedies.

The most important thing that I have learned is that if you are going to do something, do it for yourself. Don't get caught up in trying to fit in and be like everyone else, because that is exactly what will happen, you will be like everyone else. You will lose your own identity and forget who you are. You must ask yourself is that really worth it? The only way for a person to be truly happy and satisfied in life is to do what you feel is right for yourself. Set your own goals and do your best to attain them. This is not saying that you will not need help along the way. There is nothing wrong with asking for help from family, friends, or teachers, that's what they're there for. Let the people who love you support you and help you.

Some of us will look back at our years at BHS and remember some of the best times of our lives and some will remember some of the worst times. We have created many memories here, memories that will stay with us for the rest of our lives. We have laughed together and cried together, but through it all we have stuck together. At times it may have seemed we were not united. But if we look at the whole picture, we joined together when it really mattered and we have overcome. We are here today, graduation day, we are united as one, the Class of 1998. No matter where we go and what we do we will always have this day and we will always be the Class of 1998. I would like to leave you with one final thought, as Kathleen Norris once said, "Life is easier to take than you'd think; all that is necessary is to accept the impossible, do without the indispensable, and bear the intolerable." Good Luck in the future and Congratulations!

SALUTATORIAN

Mariann Richards

I would first like to congratulate everyone here today and on the behalf of my fellow classmates I would like to thank our parents for all of their time and support they have given us throughout the years. We greatly appreciate all the work you have done.

As I look out, I see us sitting here today celebrating the end to our high school days. We should realize what lies ahead are our futures that will be just beginning.

For several years we have learned, grown, and challenged one another. We will leave here today with many great memories as well as unfortunate memories such as the tragedy we suffered during the beginning of this school year with the passing of our fellow classmate David Hanrahan. Later during the winter Kendra Heinricher suffered a severe accident but she is fortunately here today in her cap and gown with us. As a class we have survived tragedies and gone through some rough times. However we are all here together as one class to celebrate all of our accomplishments and years together.

Whether we end up in Beverly Hills or remain here in Bellingham I hope everyone will have a happy and successful life. Remember, to live this life, it does not require one to have a lot of money, fame, or power. It is more a matter of being true to your beliefs and principles, and doing your best to the fullest of your potential.

Remember the simple joys in life — such as laughter, excitement, and friendship which should never be taken for granted.

It is time today to go off the path we have been following as the class of 1998 but on to make our own. We must realize that a path is not straight but has many bends, stops, and bumps along the way. As E. Brenneman once said, "Whatever you wish, Whatever you dream, Whatever you hope to achieve . . . Whatever your plan . . . It's yours if you only believe."

CLASS OF 1998 — HISTORY

By
Jennifer Mahoney, Class Secretary

Class History

In September of 1992, the Class of 1998 was formed from the students of Macy, Stallbrook, and South Elementary Schools. We came to BHS shy, nervous, and uncertain, but soon after we made new friends and became united as a class.

Freshman year, high school is finally here. As the Class of 1998, we began our high school years under the leadership of Mrs. Langenberg and Mrs. Guillemette, our class advisors. We had elected our first president, Jill Maillet, vice-president, Kim Conners, secretary, Jenn Timajo, and treasurer, Jamie Thompson. We embarked on our first trip together to Riverside Park. The Hawks became baseball co-champs and basketball champions. Let's not forget Spirit Week and our Snow White bulletin board which gave us our first victory as freshmen.

Sophomore year, we were led by president, Jill Maillet, vice-president, Jamie Grillo, secretary, Jen Mahoney, and treasurer, Jamie Thompson. The school staged a walkout for Mr. Trudeau, although unsuccessful it was a great experience. Our Ring Dance was held on March 30, 1996, with the gym beautifully decorated in cranberry, cream, and gold. Our king and queen were Kyle Holmes and Corine Anderson. Princes were Mike Szabo, Mikie Tarrasky, Jason Wills, and Tse Wai Lee. Princesses were Nichole Bayer, Diana Lane, Jessica Udstuen and Jen Mahoney. If you were wondering why our song "I'll Stand By You" was never played, believe it or not, the D.J. didn't have it. Our field hockey team won the South-Sectional Championship. Once again our bulletin board won the Spirit Week contest.

Junior year was marked by many changes. First, we elected Jim Christie as our new president, Kim Conners returned as vice-president, Jamie Thompson and Jen Mahoney remained as treasurer and secretary. Along with these changes came a new principal, Mr. Anthony Polito. We attended our first Jr.-Sr. Christmas Party, December 19, 1996 at Savini's Restaurant. We danced the night away at our Junior Prom, May 8, 1997, at Lombardo's in Randolph. This time the D.J. had our song, "For Just A Moment." Tse Wai Lee and Kristin Milone were crowned king and queen. The princes were Doug Hill, Mike Szabo, Neil Brisson, and Jamie Grillo. Princesses were Kim Conners, Jill Maillet, Amy Bartlett, and Beth Gianusso. The hockey team became Tri-Valley League Co-Champs. However, this was definitely the year for the Lady Hawks. The field hockey team became South-Sectional and State Champs. The volleyball team became Tri-Valley League Champs and the girls basketball team made it to tournament for the first time in 10 years. And once again Spirit Week was topped off with another bulletin board victory, do you see a pattern forming here?

Senior year, we made it. Jim Christie remained as our class president and Jen Mahoney as secretary. They were joined by newcomers, Corine Anderson as vice-president, and Erica Babiaza as treasurer. We attended the annual Jr.-Sr. Christmas Party at Savini's Restaurant. On May 8, 1998 we all came together at the Glen Ellen Country Club for our Senior Prom. After the endless parade around the dance floor, the court was finally chosen. Selected as king was Doug Hill along with Jessica Udstuen as queen. Steve Pascuito. Princesses were Kristy Howerton, Beth Gianusso, Renee Bilotta and Jill Maillet. Once again seniors dominated Spirit Week with our fourth and final bulletin board win making us the first class ever to win the bulletin board contest four years in a row. And unlike last year we pulled off a successful senior bunk day, May 5th, with a trip to Boston. Now we finally made it, today Class Day, tonight the banquet and tomorrow Graduation. It's been a great six years. Congratulations and Good Luck in the future!

Lois M. Turcotte

It doesn't seem possible that six years have passed since we met. You were children then and now you are young adults ready to use the wings you have earned.

You have shared your highest of highs and your lowest of lows with me. **Together we laughed, we cried, we grew, and we learned, but most of all we became friends.** I will never forget you and I hope that you feel the same way about me.

You have tugged at my heart and I wish you the best. My intention was to make a difference in your lives and hopefully I have.

With love,

Lois M. Turcotte
